

GRATIS

*To offer some kind of service out of thanks,
without charge, with humility and grace.*

We are guests here at Lake Maurer Campground. Although we pay to use the facility the fees do not include maid service. That means we have to clean up after ourselves. As staff, you are asked to oversee campers as they carry out their GRATIS assignments. Your attitude as leaders will have a major impact on the campers. If you see GRATIS as an opportunity to do something for the Lord with a joyful attitude, the campers will catch on.

PLEASE NOTE:

Clipboards are available at each location (excluding the dining hall) to help you complete the assigned tasks. Please check off the tasks as completed and initial.
